TPS 412D

PASSIVE SPEAKER BOX WITH ONE 12-INCH SPEAKER

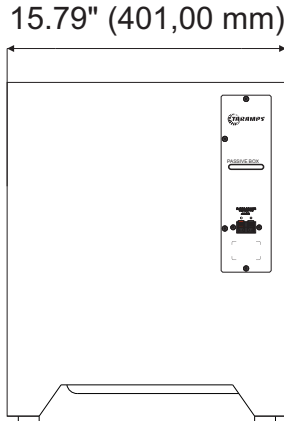

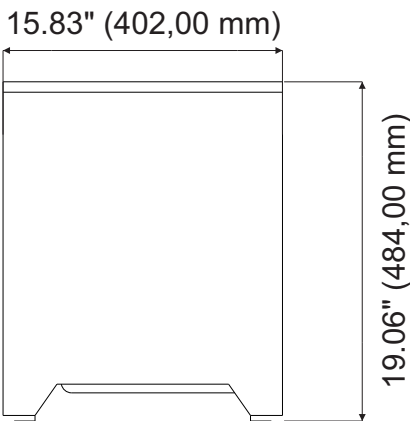

With 12 inches and Down-Firing design, the TPS 412D projects sound downward, creating an immersive and discreet sound experience. Perfect for those looking for a more cleaner look, without sacrificing impact. It is 400 Watts, with MDF structure and an impedance of 4 Ohms — ideal for gourmet areas, TV rooms, stores, clinics, gyms, bars and small-scale events, making the environment much more comfortable and sophisticated.
